Connect on in | f LISTnet - Long Island Software & Technology Network

Our Mission

LISTnet's ongoing mission is to promote Long Island as a national center of excellence for software and technology. We connect companies, educators, and government, to form a strong technology ecosystem on Long Island. We help companies collaborate, hold events to share ideas and information, work to improve the tech workforce and partner with companies providing the high tech centers and workspaces needed for the growth of the Long Island software and technology community.

Membership Benefits

- Be part of Long Islands largest Technology Networking Association
- Free member attendance at all LISTnet meetings
- Member only participation at all LISTnet events
- Member only partnership opportunities
- Exciting Top Level Technology and Business Exchange
- Exposure to New Markets and Clients
- Interact with Management and Top Level decision makers
- Free expert advice through our meetings and events
- Smaller companies and start-ups get access to BAR Business Advisory Resources
- Benefit from LISTnet alliances with other associations and groups
- Support the Long Island Tech Community

- Reach Potential Partners and Strategic Alliances
